English Our Guided Reading book is set in the Court of King Henry VIII. Lots of people in Tudor times were employed by royalty in the strangest of jobs! For example, Royal Taster, Court Jesters, Rat Catcher or even Executioners! Can you research some jobs from Tudor times and write an advert for the job? 	History:Tudors Rich Tudor families always had a family crest. Can you design your own family crest? Think about what items or feelings best represent your family. You can draw, paint, use clay or even wood! 	Science: Sound This term we're looking into the science behind sound! Go on a hunt around your home to find the quietest and loudest places. Write down the sounds that you can hear? Why do you think the quietest place is the quietest place? What helps to make it so quiet?
