

## Kingfisher Homework Grid

### Spring Term 1

You can choose a minimum of 3 tasks or you can do all 5 (as well as your 'must-dos!'). Use your homework book to display your work and when you have completed one piece of work bring it in to school. Final pieces of homework are due in by Monday 9<sup>th</sup> February

#### Tasks

##### English

We are learning how to write a set of instructions this half term. Using as much detail as possible, write a set of instructions which include expanded noun phrases, relative clauses and modal verbs – don't forget the 'Final Note of Warning!' Make sure your instructions include a list of what you need! You can choose your own topic to write about!

##### RE

We are learning about Hinduism and what dharma teaches about attitudes to the planet. Can you create a list of the main Hindu Deities (Gods) and what they are responsible for?

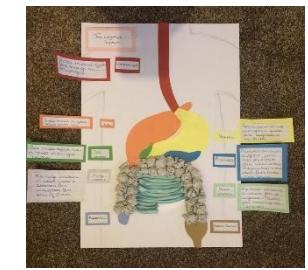

##### Art:

We are using the work of Amiria Gale, an artist and teacher who uses shells as inspiration for her work. Can you create a sketch of different shells or other sea materials, such as corals, seaweed, seahorses and fish? You can create a collage using different materials, paint or simply use pencils, but can you include either a picture or a photo of your inspiration?

##### Science

We are learning about teeth and digestion this half term in science. Can you create a poster or collage (or even a model if you're feeling brave!) of the human digestive system, making sure you include all the main organs needed for us to digest our food.

##### Must Dos!

###### Spelling

Every week, practice your new spellings on Spelling Shed ready for your quiz on each morning, with a final quiz each Monday morning.

###### Maths

There will be weekly tasks set on Mathletics – please check each Tuesday.

Please ask me if you need any help with templates or instructions that will allow you to complete these tasks.

##### Music

We are learning about Samba and Carnival music this half term. Can you do some research into the history of Samba music, perhaps thinking about where it is found, why it is popular, any famous samba artists or songs.
